## **II. Current Actions**

The Grants to States program is the largest source of Federal funding support for library services in the U.S. Using a population-based formula, more than \$160 million is distributed among the State Library Administrative Agencies (SLAAs) every year. SLAAs are official agencies charged by the Library Services and Technology Act (20 U.S.C. 9121 and 20 U.S.C. 9141) with the extension and development of library services, and they are located in each of the 50 States of the United States, the District of Columbia, the five Territories of Guam, American Samoa, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands, and the three Freely Associated States of Federated States of Micronesia, Republic of Palau, and the Republic of the Marshall Islands.

IMLS authorizing legislation (20 U.S.C. 9134) directs State Library Administrative Agencies (SLAAs) to “independently evaluate, and report to the Director regarding, the activities assisted under this subchapter, prior to the end of the Five-Year Plan.” This evaluation provides SLAAs an opportunity to measure progress in meeting the goals set in their approved Five-Year Plans with a framework to synthesize information across all state reports in telling a national story. This action is to renew clearance of the Guidelines for IMLS Grants to States Five-Year Evaluation (2023-2027) for the next three years.
